**A big part of the Campus Life ministry is our weekly Club meetings that occur throughout the school year, in which we meet as a large group and enjoy some games and a Biblical lesson. Another vital aspect of Campus Life is small groups. Small groups give young people an opportunity to dig deeper into God's word through Biblical studies and discussions along with growing in relationships with one another.**

## DEEPENING FAITH & RELATIONSHIPS

*-Colin, Senior at OHS*

*"I like men's group because I get to meet with my brothers every week. We grow as people and we grow through our faith when meeting. We have a lot of fun and we learn at the same time."*

*-Doni, Senior at OHS*

*"I enjoy girl's group because I have been able to grow closer to God. Also, it's been fun to be able to meet every week and talk about what's happening in our lives."*

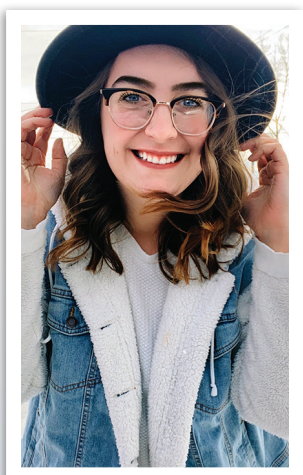

*-Kassie, Sophomore at OHS*

*"I decided to join a small group because I thought it sounded like a great opportunity to spend more time in the word and learn about God. I like it because I get to do that and also get closer to Katie and the other girls through spending time with them."*

**Mycah Hansen**  
 Campus Life Intern

*Originally from Oskaloosa, I graduated high school in 2016 and then continued my education at William Penn University, graduating in 2019. I have regularly attended Central Reformed Church since 2018. As a Follower of Christ, I have a great passion for glorifying my King by building His kingdom. My deepest desire is to love, serve and encourage others to chase after Christ, and after prayerfully seeking an opportunity, He introduced me to middle school youth ministry at my church- which ignited the fire and passion I now have for sharing the gospel with the youth. I began volunteering with Youth for Christ in Fall 2021. I believe that I am called to show teens that God has set us apart from this world and called us to glorify Him each and every day. I am so excited to join YFC staff and see God move in the lives of teens in our community.*
