

# BUILDING INTO THE LIVES OF OSKY YOUTH

Hello,

South Central Iowa YFC is changing lives and building futures through programs that strengthen and support youth. We are a local nonprofit that combines healthy relationships with creative programs to help young people make good choices, establish a solid foundation for life, and positively impact their schools.

In the past several years, we've served over 150 Osky teens in our building located in downtown Oskaloosa. The upper level of our building is affectionately called the Club Room. This space is a vital part of our ministry as students gather weekly to connect with peers, discuss life issues, learn skills, and have opportunities to serve others.

We are grateful to have such a wonderful building that allows us to build into the lives of youth. It has been brought to our attention that repairs are needed on the outside of our building. The brickwork on the backside of our building is crumbling. We have received an estimate for repairing the damaged part of the building at around \$7500 and the masonry is able to complete the project this fall. The renovations and improvements are needed to continue serving the youth into the future. As a result, we are launching a capital improvement campaign to raise the funds necessary to make the building improvements.

Osky youth are our future. Your contribution will support their growth.

Thank you for your consideration,

Katie Allmaras  
YFC Director
